

Serial No. 10/715,853
Amendment dated September 20, 2005
In Reply of Office Action dated August 25, 2005

REMARKS

Counsel for the Applicant wishes to express his appreciation to Examiner Mark T. Henderson for the objective and clear Office Action and the telephone conference of September 9, 2005.

Claim 8 has been amended to overcome the objection raised by the Examiner relative to the ambiguities and insufficient antecedent basis. Claim 8 now states that the removable calling card has two connected outside edges and two connected inside perforated edges which when said perforated edges are broken the removable calling card is detached from the central and front rights top sections and said back central and left top sections to produce a removed calling card. It is believed that this avoids the ambiguities raised in clause g) of claim 8.

As discussed with Examiner Henderson, claims 17, 18, and 19 have been made to be dependent upon claim 8 and have been indicated allowable. In view of the indication of allowablity of claims 8, 9, and 10 and 11, 12 and 13 as discussed with Examiner Henderson with revisions as indicated, all of the claims now presented should place this case and believed to be in condition for allowance and an early and favorable action is earnestly

requested.

It is believed that no fee is due for this submission; however, should that determination be incorrect, the Examiner is hereby authorized to charge any deficiencies to our Deposit Account No. 19-2105, and notify the undersigned in due course.

Should any outstanding formal matters or other issues remain, the Examiner is hereby requested to telephone B. Edward Shlesinger, Jr. at 703-684-5600 to resolve such.

Respectfully submitted,
